Girls Football Match Write Up

On Tuesday 2nd March the girls football team went to GOALS to play a tournament against 8 other schools. The team consisted of Mia Revy, Emily Austin (me), Aaliyah Ayling, Macey Driscoll, Kelsey Pye, Megan Fisher, Lacie Porter and Amy Packham.

We played every school in the pool to get into the semi-final and played Wimborne. We won 2:1. Then we went to the final and played Court Lane. We drew 1:1 and then it went to penalties

Both schools missed the first penalties. Court Lane scored their second penalty but luckily Lacie stepped up and scored our second penalty. Lastly, I saved their penalty and then scored our final penalty. We won 2:1.

I would like to say thank you to Mrs Unitt and Mr McQuilken, without them this would not have been possible. Secondly, I would like to say thank you to all the supporters who made it on the day.

Trips and Sporting Events

As you are aware, we provide many opportunities for children to take part in trips and matches.

We make every effort to return to school on time but occasionally we are a victim of the traffic and get delayed. In the event that we anticipate we will be considerably delayed we will try to contact parents. However, if we are going to be slightly delayed we may not.

We appreciate that waiting is a pain but please appreciate that:

- Delays are sometimes unexpected
- It may not be possible to get a message to you

Parents Drop In

We were very pleased to see so many parents / carers attend our drop in session to look at their children's work.
